RE: Community Energy Workshop

Dear Kate,

On behalf of all of us at REDI and the Energy Upgrade California program team we want to thank you for your generous support of the Community Energy Workshop held February 16th, 2012. As a non-profit organization we rely upon community support to serve our clients and consider ourselves very fortunate to have Gaia Energy Systems in our community. The event was very successful and your presentation contributed to that success. We look forward to continuing our work together in bringing positive solutions to our community energy, water, housing, business and transportation needs.

Sincerely,

A handwritten signature in black ink that reads "Ralph Pisciotta". The signature is written in a cursive, flowing style.
